Transportation Division Department of Community and  
Neighborhoods

Dear Lynn,

It is my pleasure to submit this letter on behalf of the Glendale Community Council. We have reviewed the draft redesign of 1700 South between Redwood Road and 2700 West. We are pleased to support the redesign as presented.

I would like to thank you for your inclusion of the feedback and concerns we expressed in our previous communication with you. Thank you for taking careful steps to incorporate the needs of residents into the plan. We are pleased to see a more pedestrian and cyclist friendly design for 1700 South and the new design will likely prevent conflicts between vehicles and cyclists.

Thank you for the opportunity to weigh in on the design. We greatly appreciate the opportunity to engage in discussions affecting our neighborhood.

Thank you,

Turner C. Bitton  
Chair, Glendale Community Council
